Ron:

Thanks for the accurate recording of the meeting. I've made only one minor change with respect to Ex. 5 Deliberative Process (DP) Ex. 5 Deliberative Process (DP) I also thought that the meeting was beneficial and look forward to visiting with the EPA in the future.

**Subject:** Minutes from USDA/EPA Teleconference on PFAS

Hi David,

Please find attached draft minutes from our teleconference yesterday. Please let me know if these are accurate or if I have missed something important.

I thought there was good discussion and we have identified some productive directions for future collaborative studies. It will be interesting to begin flushing these out in the near future.

Regards,
